

The Collision Industry Electronic Commerce Association (CIECA) Board of Trustees, presented the 2017 Electronic Commerce Company of the Year award to Car-Part.com, for its outstanding leadership, dedication and contribution.

Award winning Integrated Car-Part Pro connects the Car-Part marketplace and its 4500 parts suppliers with collision estimating, shop management and workflow systems.

Integrated Car-Part Pro's 2017 assembly optimized workflow simplifies replacing components with an assembly, helping recyclers sell more assemblies while reducing costs for buyers.

### **About CIECA**

CIECA, the source of all the Collision Industry data communications standards, develops collision industry Information Technology standards and provides implementation guides for electronic commerce. CIECA is composed of members of the automobile collision repair industry; repairers, insurers, vehicle manufacturers, parts and material suppliers, information and software providers, general service providers and related segments and industries.

For More information about CIECA, please visit <http://CIECA.org>

### **About Car-Part**

The Car-Part.com recycled parts marketplace has been live since May 1998. Car-Part Pro, designed to provide an alternative parts marketplace to professional repairers, went live in 2012. It is now integrated with collision estimating, workflow, and shop management systems and serves over 60,000 collision and mechanical repairers. For more information about Car-Part.com or Car-Part Pro, please call Roger Schroder at 859-344-1925 or visit [products.Car-Part.com](http://products.Car-Part.com)
